**MOUNTAIN BIKE
SAFETY**

Riding bicycles on rough terrain trails is an inherently dangerous activity. Be Safe – Wear a Helmet - It's Just Good Sense. Please report trail condition concerns to the Shawnee Mission Park Manager at (913) 631-5208.

TRAIL ETHICS

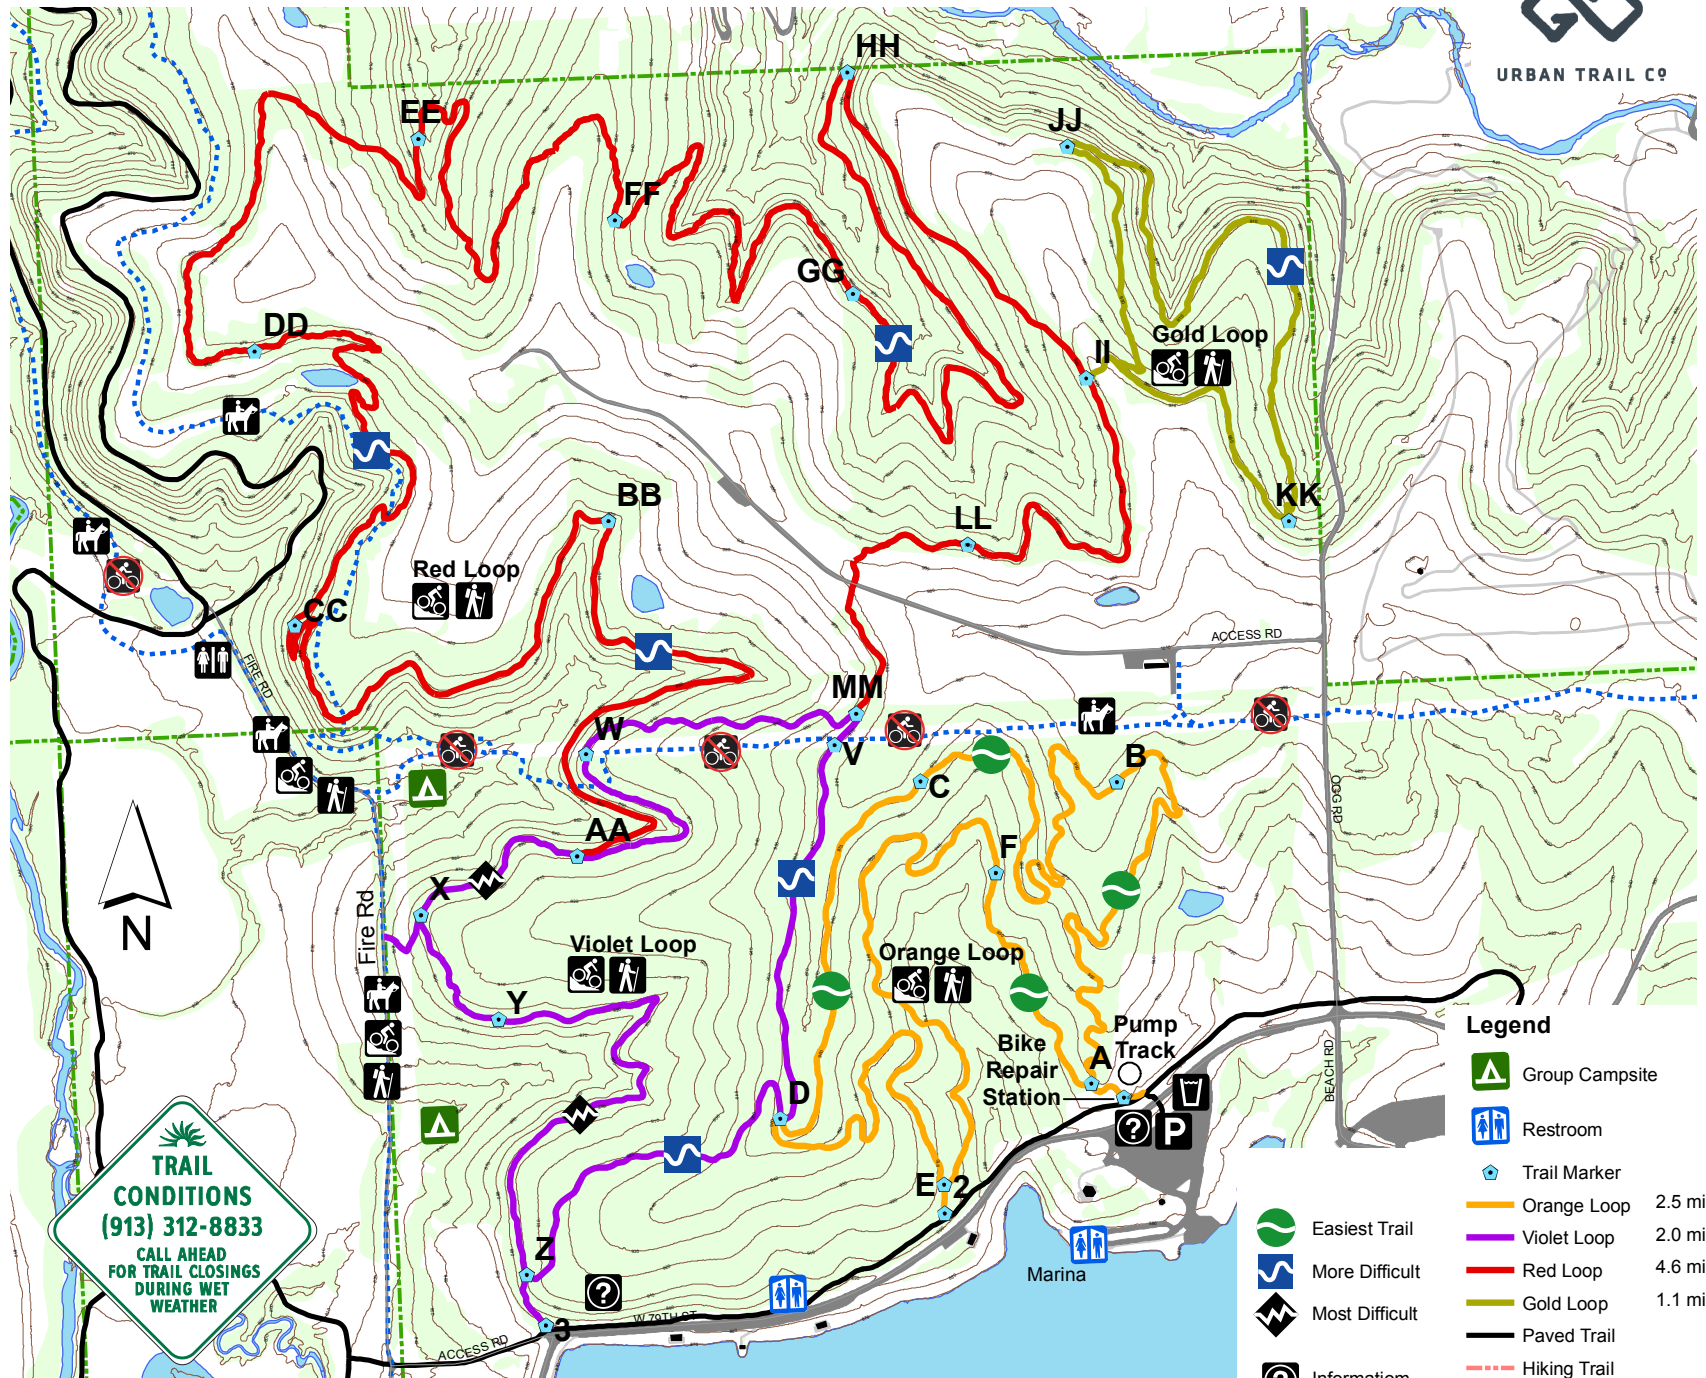

1. **LEAVE NO TRACE.** Do not hike or ride on unpaved trails when conditions may cause you to leave evidence of your passing. Using trails during wet conditions will accelerate erosion and maintenance costs.
2. **STAY ON EXISTING TRAILS.** Creating new trails or shortcuts negatively affects future users.
3. **PACK OUT WHAT YOU PACK IN.** Litter along the trail decreases the enjoyment for all.
4. **BE COURTEOUS OF WILDLIFE AND OTHER USERS.**
5. **LEAVE NATURE WHERE YOU FIND IT.** Please leave the wildflowers for others to enjoy.
